To

The firms dealing in Electrical Materials.

Enquiry No. 12425.

Subject:—Hickory Rods for Electrical Department.

Gentlemen,

No. S.P.C. 11068-118. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Hickory Rods for Electrical Department" with the above enquiry number.

This enquiry will be closed on the 26th June 1954.

SCHEDULE.

Specification for Hickory Rods:—

Hickory Rods, for the purposes of use with isolating switches, the number required under different voltages is as follows:—

12·2 KV.	...	...	70 Nos. approximately
66 KV.	...	...	65 Do do
66 KV/78 KV.	...	...	15 Do do
110 KV.	...	...	6 Do do

Each Hickory Rod should be of sufficient length to offer proper insulation and clearance for the voltages, with which it is to be used and should be as per B.S.S. or A.I.E.E. Standards. Metallic knob projections should be provided in sufficient length so as to facilitate insertion in the eyes and consequent easy operation of cut-outs, etc., Tenderers should clearly note that these rods are to be used at out door stations, some of which are subjected to heaviest rainfall. The rods to be supplied should therefore be capable of with standing these climatic excesses.
